All the best,	Yours,
Love,	Hugs,

You asked me about family meals and I must say I really do enjoy family meals and get-togethers! They're so much fun!
We usually get together to celebrate New Year's Eve or someone's anniversary.
To answer your other question, the best cook in our family is my dad! Everything he cooks is delicious!
So, to answer your first question – I get pocket money from my parents. I get a weekly allowance, as long as I get good marks at school.
I believe that most Russian teenagers spend their pocket money on food. Some try to save up, but I don't think that's cool because they only spend their money on themselves, and they never treat their friends to anything. As for me, I also spend most of my money on snacks and I like treating my friends to whatever I get.
You also asked me about getting a summer job. Actually, I'm planning to apply for a temporary job this summer at a shop or fast-food restaurant, because this way I'll get to meet many new people!
You asked me about travelling. Well, I think that it's so popular because you get to see the world and learn about different cultures.
As for me, I'd love to visit Sweden and Norway. These countries are known for spectacular nature attractions!
To answer your last question, I prefer to travel by train. The reason is that it's much more comfortable than travelling by plane – you can actually get some sleep! Also, the views are great!

So, to answer your first question, the most difficult thing in learning English for me is speaking spontaneously. We just don't get enough practice!
Sadly, I don't really do much to improve my English outside the classroom. I suppose, however, that it would be a good idea to watch more videos in English with subtitles.
As for your last question, I believe that one of the best ways to learn a foreign language is to listen to native speakers talk while following along with the script of their speech.
So, to answer your first question, I think that soccer and basketball are probably the most popular with teenagers in Russia nowadays.
As for our school's sports facilities, we have an indoor gym and a soccer field outdoors.
You also asked me about sports competitions at our school. Well, we have soccer matches and table tennis competitions! I'm on my class's soccer team! Come and root for us next week!
You asked me about exams. Well, we're having state exams at the end of next year.
We have to take Russian and Maths – they're compulsory, unfortunately. However, we can also choose two or more other subjects. I've chosen to take English and Chemistry, because I'm good at these and, hopefully, I won't have any trouble passing.
To answer your last question, I don't have any plans for the summer holidays, yet. I hope to do some travelling.

Dear Ben,

Thanks for keeping in touch! It's great to get a letter from you again!

You asked me about my career plans. Well, I'm looking forward to a career in science. The reason is that it's something I'm really interested in and I'm quite good at Chemistry. My parents totally agree with my choice and they support me by sending me to science camps every summer. To answer your last question, I think that English as the most widely spoken language will be quite useful for my future career. I'll have to master English to participate in international conferences and do research.

That's all for now.

Hope to hear from you soon!

Your friend,
Drew

Unit 6 A Cinema

You have 30 minutes to do this task.

You have received a letter from your English-speaking pen friend, Ben.

... I am very busy now preparing for my exams, but yesterday I went to the cinema with my friends. We saw a new film about Sherlock Holmes. You've probably seen it, too. ...

... What kinds of films do you like? Where do you prefer watching films – in the cinema or at home and why? What would you make a film about if you had a chance? ...

Write him a letter and answer his 3 questions.

Write 100–120 words. Remember the rules of letter writing.
